The Relationships of Workers to Work, Peers, and Others Crowdwork's perspective. **A number of ethical questions surrounding the increasing complexity of crowdwork and the hazards have increasingly arisen.** Silberman, Irani, and Ross bring some of these issues at stake — working for increasing amounts of time on tasks of growing complexity, only to discover that requesters are not willing to pay, for instance — but these and other dangers range an enormous landscape [1, 4, 2, 3].

[al2: TODO:

1. Crowdwork's perspective.
2. Piecework's perspective.
3. What's different about crowdwork.
